2. Next, fold the two corners on each side of the bag in to make the shape of the head as shown below:

3. Next, take the white construction paper and cut out a large oval shape which will make up the mouth and cut out a triangle which will make up the ear as shown below:

4. Next, take the black marker and draw two nostrils (nose) and a mouth on the large oval as shown below:

5. Next, glue the mouth peice onto the bottom portion of the white paper bag as shown below:

6. Next, take the pink or purple construction paper and put the white bag on top of the paper the outline Unicorn Jazz's hair as shown below:

7. Next, take your scissors and cut out the hair and glue the hair onto the paper back as shown below:

8. Next, take the pink or purple gel pen and color in the hair as shown below:

9. Next, glue on the ear as well as the googly eyes as shown below:

10. Next, take the sparkly gold felt or paper and cut out a large triangle for the Unicorn horn and glue it on as shown below:

11. Next, cut out the Unicorn Jazz tail provided for you (for thickness you can trace the tail on construction paper and glue them together) as shown below:

12. Next, glue the tail on to Unicorn Jazz as shown here. OR Design your own in the shape of a musical note!
